LEARNING OUTCOMES COVERAGE	Demonstrates all or nearly all course learning outcomes with clear, specific, and verifiable evidence. Each competency is directly addressed.	Demonstrates most course learning outcomes. Minor gaps or areas with less documentation. Core competencies are evident.	Demonstrates some course learning outcomes. Noticeable gaps in competency coverage or inconsistent connection to course content.	Does not sufficiently demonstrate course learning outcomes. Evidence is absent, irrelevant, or does not connect to the course.	_____
QUALITY OF EVIDENCE	Multiple credible, verifiable, authenticated sources directly tied to course competencies. Evidence is current, detailed, and well-documented.	Sufficient credible sources. Most verifiable with a clear connection to course competencies. Minor documentation gaps.	Some relevant evidence. Authenticity or direct relevance to the course may be unclear. Gaps in documentation.	Evidence is missing, unverifiable, or too general to demonstrate college-level learning in the course subject area.	_____
DEPTH OF KNOWLEDGE & ANALYSIS	Demonstrates sophisticated college-level understanding. Concepts are applied correctly and precisely. Shows nuanced analysis and identifies implications.	Demonstrates solid college-level understanding. Core concepts applied accurately. No significant errors in reasoning or application.	Basic understanding is evident. Some concepts applied correctly; gaps or minor errors present. Approaching college-level depth.	Analysis is superficial or absent. Concepts are misapplied or not demonstrated at college level. Does not meet course standards.	_____
REFLECTION & PORTFOLIO NARRATIVE	Narrative clearly and compellingly articulates how lived/professional experience connects to academic course content. Demonstrates self-aware, critical reflection.	Narrative adequately connects experience to course content. Reflection is present and coherent. Minor gaps in articulating the academic connection.	Narrative attempts to connect experience to the course but the connection is vague or underdeveloped. Limited critical reflection.	Narrative does not meaningfully connect experience to course content or is absent. No reflective component demonstrated.	_____
